

Please join us at the Badlands Boulder Dash!

When: May 31st Evening vet in, Ride June 1st

Where: Private land located approximately 10 minutes East of Donalda, Alberta

About the ride: We are excited to be hosting a brand new CTR on what we think is the most beautiful land in Eastern Alberta! A mixture of Badlands, Coulees, Prairie, River Valleys and Forest, this is a truly unique and spectacular place to ride. This is a technical ride, with lots of elevation gain and loss, amazing views and tons of wildlife. Horses will do just fine barefoot, but shoes or boots are always recommended.

There will be a shorter 10-15 or so mile loop for anyone who would like to just come out for the day and see what Competitive Trail Riding is all about. The Intro riders are welcome to ride at your own pace! There will be 25 Miles for Novice and Intermediate divisions and 50 miles for Open riders.

Camping is available for everyone starting May 31st, stay for one or two nights and leave the morning of June 2nd at the latest. There will be a potluck supper the evening of June 1st, so please bring a dish! Announcement of winners and prizes will follow supper on June 1st.

If you are new to CTR, please check out the website trailriding.ca which has all the information you may need to get started! Or don't hesitate to reach out after registering with any questions you may have about the ride via email to alyszarobertson@platinum.ca

This event cannot be held without the help of volunteers, so if you or anyone you might know would like to volunteer, please reach out! All meals are provided to volunteers as well as any training that might be required for that volunteer position!

We thank you for pre-registering by May 28th. Late fees of \$20 will be applied to entries received between May 29 and May 30th. No entries will be accepted after May 30th at midnight.

More information will be forwarded to registrants and volunteers at the entry deadline.

We cannot wait to see you all for this exciting new ride!
