

TRAIL RIDING ALBERTA CONFERENCE

2017 Introductory Clinic

This clinic is geared to introduce new riders to the exciting and FUN sport of Competitive Trail Riding!

To help riders get the most out of this clinic, please do not bring your young, green, inexperienced trail horse to this ride!

In the AM we will introduce what CTR is, what to expect during a weekend ride and some tips on how to prepare for a ride!

After a tasty lunch break, riders will saddle up and ride a 5-6 mile loop with an experienced CTR rider. Your "guide" will show you how to read the trail and flags, pace your horse, and answer any other questions you have. There will also be a mock PnR check and or a vet check to give you the full CTR experience.

Cost: \$30 to participate/ride (non-refundable)
\$10/day to audit

Max 30 Horse/Rider pairs; no max on auditors

Food is provided to auditors and participants

Deadline to register (Audit or Rider) ensure you send your completed registration form to Kelsey and follow directions on the form regarding payment for the event by April 22, 2017
